

Job Costing Solution

Bartronics India Limited

Bartronics has implemented job Costing solution to many textile industries to enable them to pay the incentives and also to know the efficiency of the man and the machine.

Solution Implemented.

Each of the job is attached with the Bar-coded Job card. Before the start/end of the job employee shall swipe his ID card to record start / end of the job. After the employee Completes the job QC is done and the data is entered into the Machine . Incase of any break down of the machine employee shall swipe the maintenance card to record the Break down details for machine efficiency.

Clients

LMW, GTN Textiles and many more.
